2nd WEEK | 19–23 MARCH 2018

Observing Lessons / Short interns

Focus on:

What was observed in upper-school classes (9–12)
Daily routine in a fully developed upper school

Participants are to find a school in Germany or neighbouring country that accepts internships.

Please find out if your school has a »sister-school« that you could contact. Ask colleagues who have already been to schools in Europe for help.

If you need assistance please contact Mr Lutz Gerding (gerding@lehrerseminar-forschung.de).

Participants are responsible for organizing travel between Kassel and host school themselves.

3rd WEEK | 23–29 MARCH 2018

International Refresher Course Week

Focus on:

Main lessons in class 10.

Discuss teaching with colleagues from over 25 countries. Be inspired by lectures and subject seminars.

You will find German, English, and bilingual courses.

All lectures will be translated respectively into the other language. For details see special programme attached.

Conference Fee for the International Training Weeks is 500 Euro. Please use the [online registration form](#) on our website (www.lehrerseminar-forschung.de).

To apply for reduction, please contact Mrs Carolin Ammer (ammer@lehrerseminar-forschung.de).
